FOREWORD.....

The Blue and White we lay aside,
To venture out our separate ways
And donning uniform of white
To serve mankind through weary days.

Our student days now draw to a close,
Our shared joys and sorrows remain in the past.
So we give to you in sweet repose,
Our special memories from first to last.

We, the Annual Staff of the 1958 Cap And Pin,
would like to share with you our memories
of the three years spent at Cabarrus Memorial
Hospital. We sincerely hope that through the years,
this book will recall the many events
which we have shared together.

ALL THE WORLD'S A STAGE

AND ALL THE MEN AND WOMEN
MERELY PLAYERS

THEY HAVE THEIR EXITS
AND THEIR ENTRANCES

AND ONE MAN IN HIS TIME
PLAYS MANY PARTS

DEDICATION

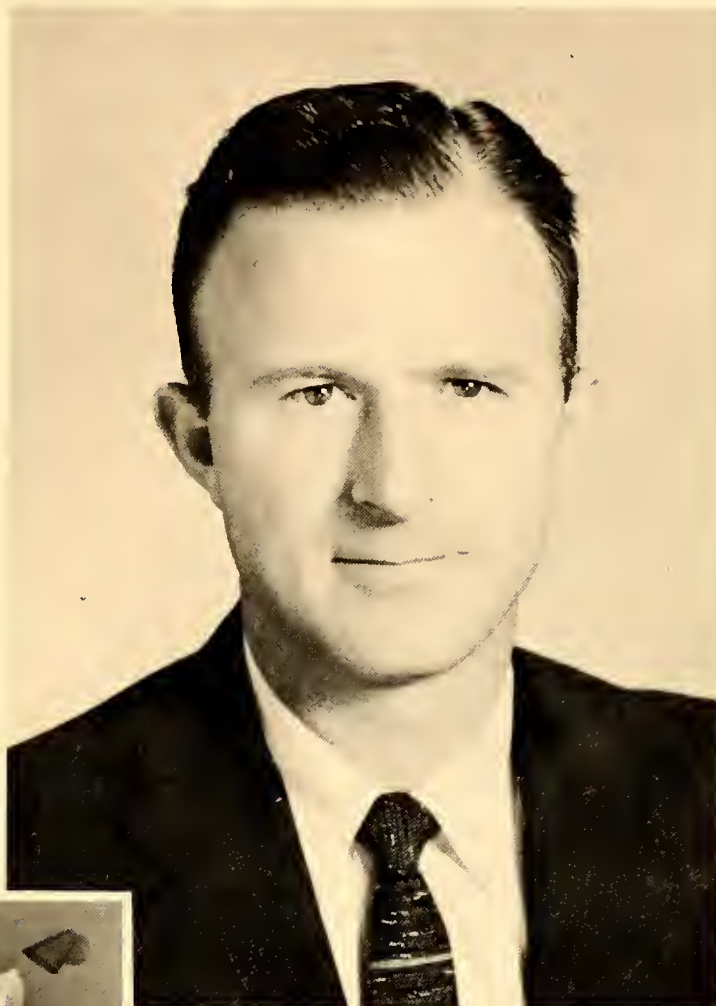

To one who has won our respect and gratitude for her tireless efforts in behalf of our class, her guidance, leadership, and sincere interest in us, We, the Senior Class of 1958, with deepest appreciation, dedicate the "Cap and Pin" to you, MISS RUTH BATES.

"That's my girls"
Senior-Alumni Basketball Game

Because of his willingness to teach, his genuine interest in students and his instrumental leadership in the field of Medicine, We, the Senior Class of 1958, dedicate the "Cap and Pin" to you, DOCTOR JOHN ASHE.

IN APPRECIATION

TO "ABBIE",

Our guide and friend,
To all her service she's
ready to lend.
She's one in a million.
No more-----no less.
Our sponsor, one of the best.

CONGRATULATIONS:

A NURSES PRAYER

Because the day that stretches out for me
is full of busy hours, I come to Thee
To ask Thee, Lord, that Thou wilt see me through
The many things that I may have to do.
Help me to make more tempting every tray.
Help me to sense when pain must have relief.
Help me to deal with those borne down by grief.
Help me to take to every patient's room
The Light of Life to brighten up the gloom.
Help me to bring to every soul in fear
The sure and steadfast thought that Thou art near.
And if today, or if tonight, maybe,
Some patients in my care set out to sea
To face the great adventure we call death,
Sustain them Father, in their parting breath.
Help me to live throughout this livelong day
As one who loves Thee well, dear Lord, I pray;
And when the day is done, and evening stars
Shine through the dark above the sunset bars,
When weary quite, I turn to seek my rest,
Lord, may I truly know I've done my best.

MY CAP

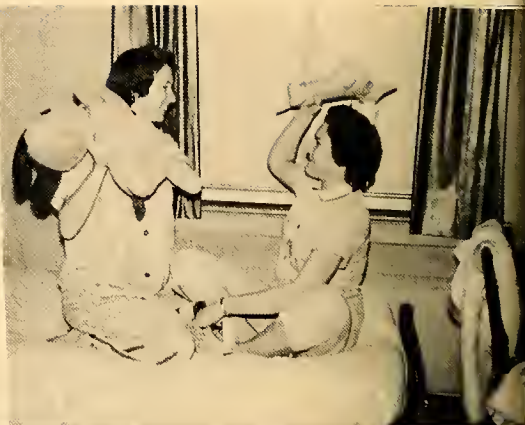

It's only a piece of white muslin
Perched on the top of my head
It's value to some may mean nothing,
To me it's a symbol instead.

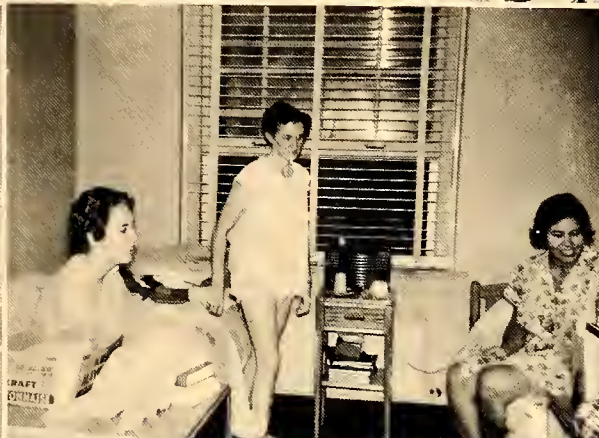

A symbol of hope, cheer, and comfort
To those who are suffering and ill,
To me it gives strength unbelieving
My work to perform with a will.

Sometimes I am discouraged, disheartened,
My Tasks seem so hopeless to me,
My cap seems to speak of a promise--
Of things I so want to be.

No jewels adorn it's wide brim,
So simple and plain is it's line--
Treat it with reverence and honor
For there's only one cap of it's kind.

--Sally Hewitt, R. N.

GOD MADE A NURSE

To be a nurse is to walk with God,
 Along the path that our Master trod;
 To sooth the achings of human pain;
 To faithfully serve for little gain;
 To lovingly do the kindly deed--
 A cup of water to one in need,
 A tender hand on a fevered brow,
 A word of cheer to these living now;
 To reach the soul through its body woe.
 Ah! This is the way Jesus would go.
 Oh, white capped nurses in dresses of white,
 Our Great Physician is working through you.

God made a nurse!
 He made her heart true, brave and kind,
 And like the mountain streams her mind
 Is Crystal clear, yet swift and deep
 As where its waters rush and sweep.
 He made her hands strong, tender, skilled;
 Their touch with His own pity filled,
 And gave to make his nurse complete
 A sense of humor, wholesome, sweet.
 God made a nurse.

FAREWELL

Classmates, it's time to bid adieu,
But we will always think of you.
The years we've spent together,
At our work or play,
Just a jolly band, carefree and gay.

Our colors white and lovely blue,
We have worn with pride.
But now the time has come,
To lay them aside.
It's time to take our scroll in hand
and Journey on to other lands.

Our work has proven just what we do,
Our dispositions, we claim them too.
We hope we'll leave you examples true,
Do unto others as you'd have them do.

So now, We'll bid our last adieu,
To our teachers and the school.
No matter where we go,
what you have taught us will always be,
To us sweet memories.

PROPHECY

As the curtain falls on another three years of our lives, we stop for a moment and gaze into the past, recalling the many things which we have done together. Our three years spent at Cabarrus Memorial Hospital have been full of studying, working, dating, and parties. Now, we gaze into the future to see the results of years in school to attain our goal--R. N.

BULLETIN: WASHINGTON

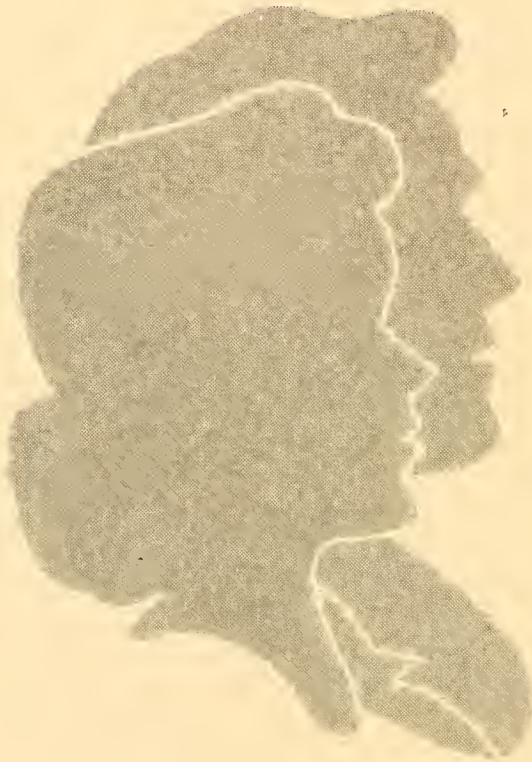

DORIS BARRIER, one time supervisor at St. Elizabeth's Mental Hospital has been transferred to State Hospital, Raleigh, North Carolina, (Wonder if Perry is still at State?) Heard that JANICE BRINKLEY had put aside nursing for awhile to model fashions at Macy's in New York City. (Janice always wore cute clothes) Got a wire from another classmate of mine, DORIS COLEY, (her maiden name), Bill is still in the Air Force and planning to make it a career. Doris is going to do Flight Nursing, so she can be near him. I happened to see a Wilkesboro paper the other day, and stopped to read a little in it. There on the second page, I saw LINDA ROBINSON, R.N. was recently promoted to night supervisor at Wilkes General Hospital, North Wilkesboro, N. C. (Bet Connie is proud of Linda!) My thoughts trailed back to the many nights, after hours, while we were in school, that a whole bunch of us sat in "PETE" FREEMAN'S room talking, laughing and telling jokes. Those were the good 'ole days. Now "Pete" (Mrs. Rex Baucom), has joined a rank of the service so she can stay close to Rex. Saw ANNE FUNDERBURKE the other day, shopping in the Colonial Store. She and Gary now have two children, Gary Jr. and Elizabeth Ann. She's got her hands full, playing the role of wife and mother. Duke University Medical School enrolled one of our classmates recently. JEANETTE GOEBEL. Should make a fine doctor! I met Mrs. Gene Lanier (BARBARA HARE) one day last week, shopping in Belk's. Yep, you guessed it; shopping for little pink and blue things. She still looked as good as she did the day of her Christmas wedding. Heard the other day that CAROLYN HATLEY has accepted the position of head nurse on Pediatrics at Georgia Baptist Hospital in Atlanta. Carolyn always did like children! Bulletin from Alaska! "Nurses arrive from United States." Head of the troop, SHIRLEY HAYES, R. N., She's traveling just as she planned. Gary, North Carolina can well be proud of their little home town girl, EVELYN HOPKINS CLAYTON. She and Ray are in Charlotte now. Evelyn is head nurse on Pediatrics at Charlotte Memorial Hospital. SUSIE JOHNSON, and her husband, Doug, came into town one day not too long ago. Doug is still stationed at the Naval Base somewhere in Washington State. Susie is assistant administrator at one of the larger hospitals up there. Saw in the Kannapolis Independent where MISS BARBARA JONES, R.N., was leaving to establish residence in Raleigh, N. C. She's going to accept a position on the staff at Rex Hospital in Raleigh. Guess she'll be seeing Carl every now and then. On the operating room team at our old Alma Mater, we find GERRY JORDAN, assisting Dr. Thompson with one of his famous "hip pinnings".

NORFOLK, VIRGINIA--DECEMBER 8, 1962--MRS. BARBARA KOONTZ, R. N. has recently accepted a position with the Naval Base Hospital. Guess she'll be near her husband, Kearney. Moses H. Cone Memorial Hospital in Greensboro, North Carolina recently acquired a new day supervisor, MRS. NANCY LEGGETT. Nancy should do well in this position. PATTI MEGGS is seeing the world via one of the world's largest Air Lines. She's a nurse with wings now. I was shopping in Talheimers over in Winston-Salem recently and ran into GAIL MITCHELL. She told me that she is still working with the Public Health Department. Charles, her husband, is a big executive in Winston. Them thar' hills called BROWNELL OLLIS back to Cranberry, North Carolina. She's a visiting nurse now in the mountains. I shall never forget ANN OWINGS and that school teacher boyfriend of hers. Guess Ann and Bill are raising their football team in Concord. Heard from my old roommate the other day, EOLINE PROVOST CLAYTON. She has a position on the hospital staff in Greenville, South Carolina, where she and Robert are making their home. I, CONNIE RHODES, am working night duty in the Labor Room at Wesley Long Hospital in Greensboro. Writing is my hobby, and something that I do while I'm not busy. Heard that KAY ALLMAN RITCHIE was working in Charlotte and that she and "Bud" were raising two fine boys. SARAH SHUE called me not long ago to tell me that she was leaving for Nome, Alaska, to accept a position at the hospital there. Wonder if she'll see Wesley? CAROLYN STORY is working at Rowan Memorial in Salisbury. Guess she and Paul will be starting their family soon. MARGIE TEEMS was recently promoted to Administrator of the hospital in Hickory, North Carolina. Good Luck, Margie. GLADYS TROUTMAN is still working on our favorite floor, 2-E, at Cabarrus Memorial Hospital. Recently I received a telegram from GLENNA TURNER. She and Bob are on a cruise to Hawaii. They plan to stay in Hilo, Hawaii, where Glenna has accepted a position on the hospital staff. Saw in the Concord Tribune where Miss BETTY LOMAX, R. N., is flying home from California, for Christmas. She's working in a large hospital in Los Angeles. MARTHA WARLICK stopped by to see me on her way to Texas the other day. She's going to work at the Air Force base in Waco, Texas. ESTHER WRIGHT, whom we remember so well because of all her jokes, is Head Nurse in the General Nursery at Stanley County Hospital in Albemarle.

Oh, if one had time these days, with everything going at high speed, especially in our profession, she could really ponder on the things that happened to all of us during our course of study. The good and bad which was taken in stride. The ups and downs which made us happy and sad. All of this, we experienced to accomplish the things that we wanted so much in life.

CONNIE RHODES

THANKS TO OUR PARENTS

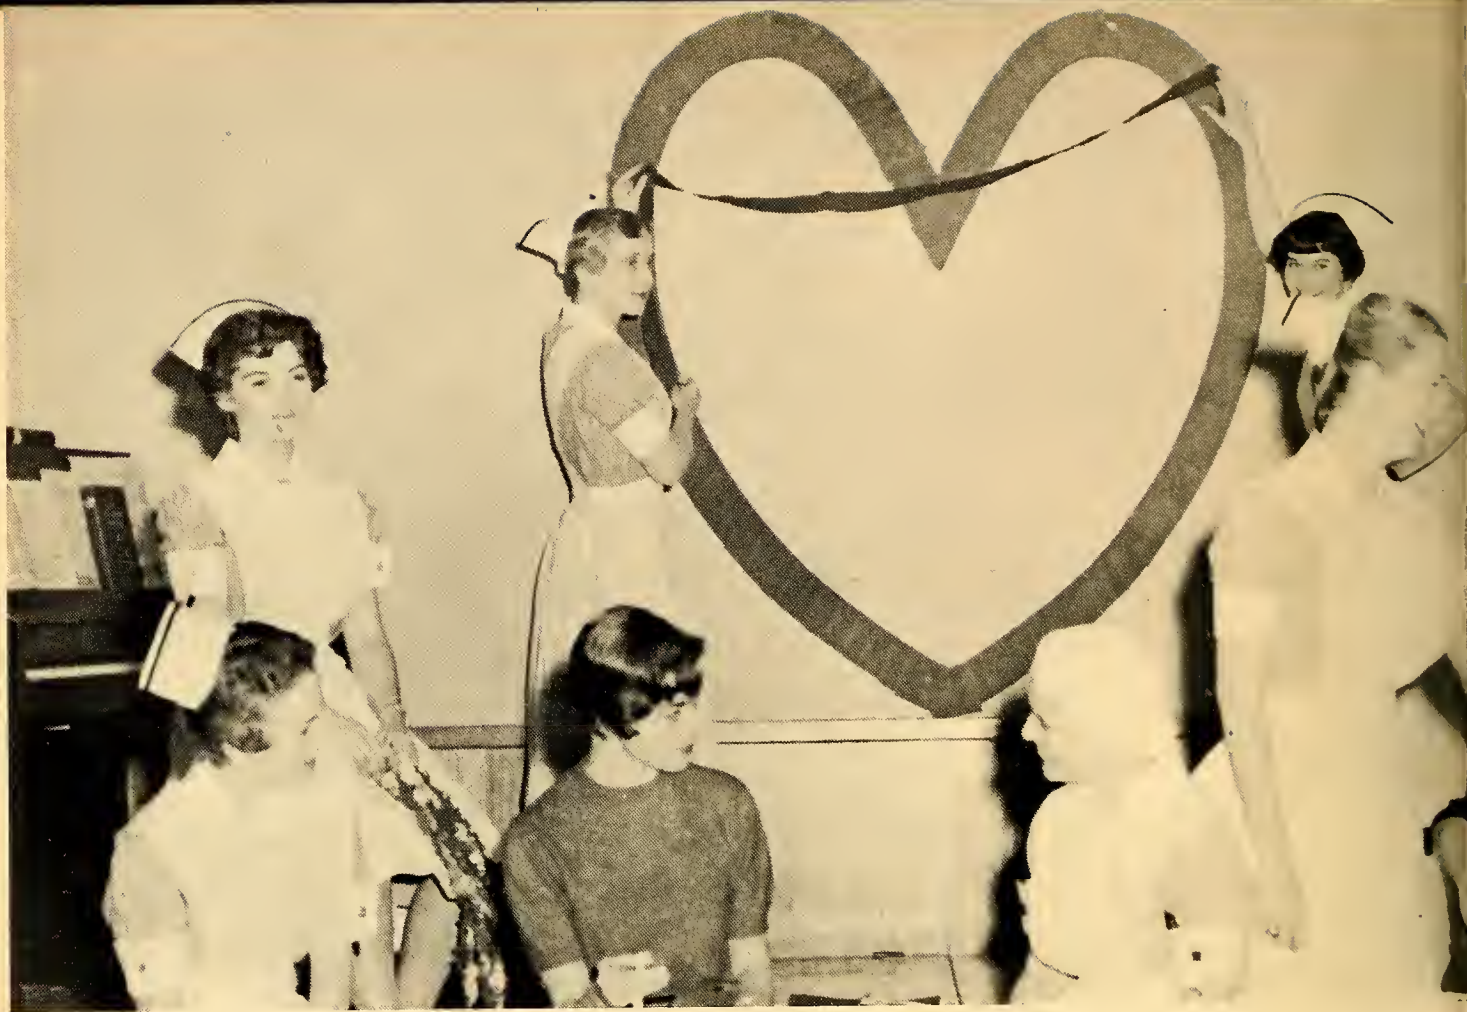

At last we are seniors . . .
and each year was better than the last!
We've had our share of the fun,
the quizzes and tests, parties, classes,
and night duty. We have had help all
along the way from our instructors,
graduates, and doctors, but most of all,
from you. You are responsible for our
graduation; you instilled in us from
early childhood the desire to learn and to
achieve. In this small way, we are
trying to express our deepest appreciation for
the interest, cooperation, and love
that has been such a vital part
of our nurses' training.

ANNUAL STAFF ROOM

After a Session

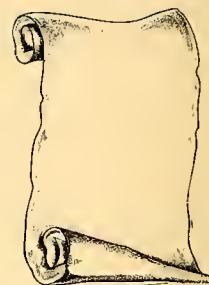

The Staff of the 1958 Cap and Pin has worked hard, planning and writing, taking pictures and typing--- Many long hours of both work and fun, have been spent in trying to get the last pages off to press.

This is the end result of our efforts. We trust that this will serve as a book of memories through the years and that it will be a credit to the Class of 1958.

CLASS HISTORY

As the curtain rises, ACT I of our life as a student nurse begins and we hear the background melody, "Stranded in the East Nurse's Home". Our captors, Mrs. Roach and Mrs. Davenport, are eagerly awaiting our arrival. It is now September 5, 1955, our registration day, which changes our whole pattern of life. We really begin our Freshman year with a bang! A pajama party given in our honor started us well on our way in this new and strange environment. How well we remember those first 7 a.m. Professional Adjustments classes when we were all allowed the privilege of expressing our "own personal opinion". But then there was that particular Professional Adjustments class when one student gallantly stood and asked that we be allowed to rest until 9 a.m. before going on duty, only to be contradicted by another student who nobly stated "We cannot change the world for the sake of a few". Then our class officers were elected along with our class sponsors and they were as follows: President: Patti Meggs, Vice-President: Shirley Hayes, Treasurer: Brownell Ollis, Secretary: Barbara Jones. Sponsors: Mrs. Martha Hayes and Mrs. Pauline C. Ashley. There were our Glee Club escapades when we displayed our various talents for the public. Oh, how we remember those glorious trips to the "Y" in Kannapolis where we participated in exotic activities so freely offered by our superiors. Mercy, how we hated the drudgery of settling down to the dormitory rules and particularly those nights in closed study when it was necessary to seek some diversion in Comic Books and True Romance magazines. You know, I always liked to lie on the bed to study but things changed when I came here. It was found that more study and less sleep is accomplished in a hard wooden chair, feet flat on floor, elbows flat on desk, head stuck in book. Ugh! Well, during the latter part of that year, our "taskmasters" Mrs. Clontz, Miss Parker, and Mrs. Graham, began to teach us professional procedures "One, Two, Three, right down the line, in Apple Pie Order". Our responsibility increased with giving medicines and the more difficult procedures. On May 25, 1956, a day we shall never forget, we were presented our Cap, a symbol of maturity and advancement. Having fun was our pastime and this special occasion called for a real celebration which turned out to be a week-end beach trip. My, didn't we have a ball? Spring turned to summer and with it came the morning sun baths on the sun porch, the walks over the golf course, picnics in the woods and the other summer activities. And then there was the sadness of saying good-byes to our classmates who left school for one reason or another.

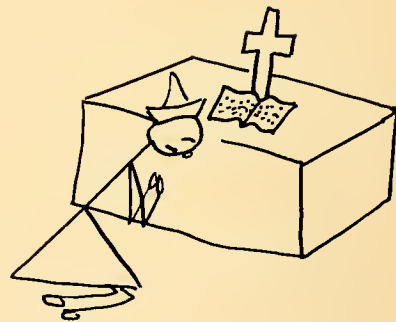

The curtain rises on ACT II, our Junior year which officially began on September 6, 1956. On this date we climbed one step higher by receiving our Blue Band. Now our special services, Surgery, Obstetrics, Pediatrics, and Diet Kitchen began. Who can forget those memorable days we stood many tireless hours, scrubbed for Major Surgery? We can't forget those nights of Night Duty in Obstetrics when all that kept

us going was black coffee. Then because each class must have a governing body, we diplomatically decided to elect class officers. They were as follows: President: Betty Lomax, Vice President: Brownell Ollis, Secretary: Eoline Clayton, Treasurer: Evelyn Hopkins. Sponsor: Miss Ruth Bates. Co-sponsors: Mrs. Bobbie Everhart and Mrs. Margy Fink. February soon came, and with it, the Valentine Dance which was quite successful. The usual routine was interrupted by the planning for the Junior-Senior and Religious Emphasis Week. Oh brother, did we work! There was so much to be done. That Junior Senior was fabulous, with those balloons we inflated. Mardi Gras was our theme and the auditorium truly looked like New Orleans, Dixie Land Band and all. Then the first group was Dix Hill bound, with all their fears and anxieties which were soon to be relieved. The school year was climaxed with picnics at Buffalo Ranch and the end of classes. The anticipation of becoming a Senior hung heavily in the atmosphere.

The curtain rises on ACT III, the final act. It is now September 6, 1957. This is the day when we begin our third step up the ladder. Yes, we received our Black Band, which we felt was something very distinguished. We knew that now we were on the last mile of our three year journey. We were officially the Senior Class of 1958. With a bit of dignity which was not our usual nature, we stepped forward to receive the final portion of our Cap. The Senior Class Officers were elected as follows: President: Brownell Ollis, Vice-President: Barbara Jones, Secretary: Doris Barrier, Treasurer: Margie Teems. Our sponsors were Miss Ruth Bates and Miss Ruby Abernethy. There were the class meetings, the election of the Annual Staff and the many hours spent working on the Annual. The last groups were going to "The Hill" with the anticipation of returning and soon graduating. There were those many romances and marriages. There was the song "I Found My Thrill On Good 'Ole' Dix Hill", which became popular during this time. All of a sudden the class was together for the first time in nearly a year. Yes, the last group returned from the Hill and began the routine of Night Duty which I'm sure, relieved those who had been on it for so long. The Junior-Senior and Graduation came more into view and plans were being made for both. Yes, the curtain would soon gracefully fall on one of the most fabulous three-act plays ever to be given on the Cabarrus Stage. Many questions were in our minds; What will the future bring? What is Life really like? How will it feel to be a Graduate Nurse? Whatever the answer might be, we know that all of our fun, laughter, study, and tears plus the guidance of our parents and the faculty have molded us exactly as we are today.
